

ACCESS COMMITTEE (AC) MEMBERS

The Access Committee is an independent committee that will evaluate each access request based on the scientific quality and excellence of the proposal.

It is composed of five external experts pertaining to the research community, who will evaluate the proposal documents and, if required, might ask for further details to the applicants.

Access Committee (AC) members:

- **Lidia Esther Robaina Robaina**
Universidad de Las Palmas de Gran Canaria | ULPGC
- **Gonzalo Piernavieja Izquierdo**
Instituto Tecnológico de Canarias | ITC
- **Antonio Rico Rubio**
Tecnalia Research Innovation
- **Javier Roo Filgueira**
Gobierno de Canarias | GOBCAN
- **Elba Bueno Cabrera**
Cluster Marítimo de Canarias | CMC

Before the Access Committee evaluation, submitted access proposals will be received by the Facility Access Management Team (FAMT). This body is composed by:

- **Facility Manager: Paula Pacheco Santamarina**
General Manager
- **FAMT-Secretary: Ayoze Castro Alonso**
Technologist/ Scientific and Technical Area
- **The Technical and administrative Review Panel (TRP)**
The TRP is an ad-hoc technical review panel. The Secretary will appoint the TRP members for each Access Request subject to the scientific and technical topics of the the proposal, in order to proceed with its evaluation. These members will be selected from technical/administrative Senior staff of PLOCAN.
